# BRICK-BUY-BRICK

Program

We invite our 8<sup>th</sup> grade families to consider a gift option for graduation for both your graduate and the CYO program. This gift option provides the CYO with an engraved brick to be placed in our Fernando Adami Snack Shack patio (or flag pole patio) with the option of an additional thin (1" thick) "gift" brick to place on a stand in your home for your graduate. Each brick can be engraved the same or differently dependent on preference.

We also have other brick and paver options at the 12x12 paver size and 24x24 paver size if this is your preference. We are offering an option at this time to purchase your bricks or pavers on a "layaway" plan.

If you make your purchase now, you can arrange from 1 to 10 payments over the course of the school year by check or credit for placement and gift in hand by graduation day.

Questions can go to Jen Herlihy at [stbernadettecyo@gmail.com](mailto:stbernadettecyo@gmail.com) or forms can be turned into the school office with first payment by October 1<sup>st</sup>.
